## Think Again... <<<

### *Protect Yourself . . .*

Your landlord's insurance policy **does not** cover damages to your home and personal property! Learn how to protect your home by asking an insurance agent about a Renters Insurance Policy. Policies can cost you as little as 34¢ a day. Many insurance companies offer a variety of discounts; ask your agent how to make your policy more affordable.

### *Still Not Sure? Ask Yourself . . .*

*Could I afford to replace everything I own  
in the event of a disaster?*

*If I couldn't return home after a disaster,  
what would I do?*
